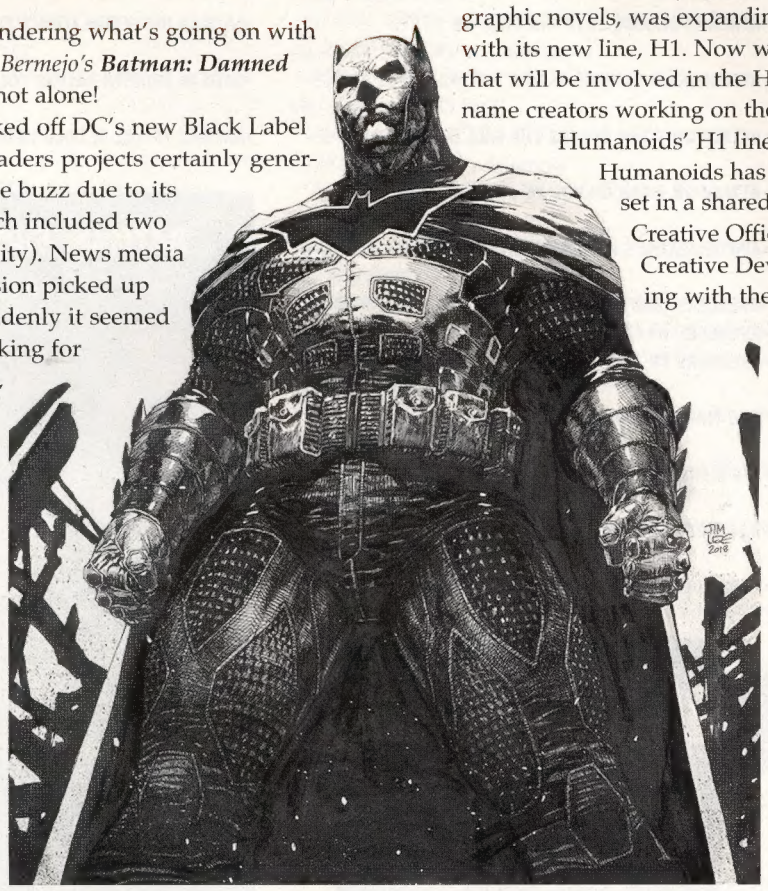
BATMAN: DAMNED

Batman: About Damned Time!

If you've been wondering what's going on with *Brian Azzarello & Lee Bermejo's* ***Batman: Damned*** series—well, you're not alone!

The book that kicked off DC's new Black Label imprint of mature-readers projects certainly generated more than a little buzz due to its mature content (which included two panels of frontal nudity). News media and late-night television picked up on the story, and suddenly it seemed like *everyone* was looking for ***Batman: Damned #1,*** which sold out almost immediately upon release.



DC Co-publisher *Dan DiDio* admitted that DC did not anticipate the controversy that the book generated. "It's something that we wished had never happened," DiDio told **polygon.com**, "because it really took the attention away from what we thought was quality storytelling."

In the weeks since then, there have been a number of rumors involving edited second printings, delayed schedules, and even cancellation. Here's what we *can* tell you, straight from DC:

- The publisher has announced that there will be no second printing "at this time." The phrasing is interesting, since it leaves the door open for DC to re-evaluate further down the line.
- The book *is* delayed, with ***Batman: Damned #2*** pushed back from late November to December 5th, and the third (and final) issue of the limited series now pushed back from January to March.
- The book has *not* been cancelled, and all three issues will be released.

In a bit of good news, DC has also announced that *Jim Lee* (who provided the variant cover for ***Batman: Damned #1)*** is also providing an open-to-order variant cover for ***Batman: Damned #2***... and while it hasn't been announced, we can hope that means he will also provide a variant for ***Batman: Damned #3*** to complete the trifecta!

H Marks the Spot

A few weeks ago, ***CSN*** told you that Humanoids, best known for its line of sophisticated science fiction and fantasy graphic novels, was expanding into the realm of superheroes with its new line, H1. Now we can tell you some of the books that will be involved in the H1 launch, as well as the top-name creators working on those books.

Humanoids' H1 line will mark the first time that Humanoids has ever presented superhero tales set in a shared universe. Recently added Chief Creative Officer *John Cassaday* and Director of Creative Development *Mark Waid* are working with the creative teams to ensure that H1 launches big, with high-profile projects by high-profile creators, including *Kwanza Osajyefo, Yanick Paquette, Carla Speed McNeil, Phil Briones, Vanessa Del Rey, Cheryl Lynn Eaton, Mike McKone,* and *Afua Richardson.*

"H1 represents a number of important milestones for Humanoids," Humanoids CEO and Publisher *Fabrice Giger* said. "This is our first foray into a shared universe, one with stories by talented creators whose undeniable creative chemistry is forging a new and fantastic world. Next summer, we're launching three ongoing comic book series, the first three ongoing periodicals in this company's history, and we'll be publishing them in an unprecedented and unexpected way, which we'll announce in the coming months."

The first three H1 titles will include:

- ***Ignited*** (ongoing series launching in July 2019, creative team not yet announced) – Something strange is happening to the planet... Nature itself is reshaping and redefining the balance of power. Natural disasters are breaking out everywhere, yet the population continues to grow rapidly. In fact, the world is becoming so dense that certain individuals are erupting with super abilities. They are called the Ignited.
- ***Omni*** (ongoing series launching in July 2019, creative team not yet announced) – A gifted doctor with a vibrant, compassionate personality, Cecelia Cobbina received boundless praise from her peers and her patients. But that was before the incident in Africa. Before she gained the ability to think faster than the speed of light. Overwhelmed with the power to answer every question, she must now overcome her own fears and tackle the one code she can't seem to break: the truth behind the Ignited.

SOMETHING STRANGE HAS BEEN UNLEASHED IN THE NORTH OF ENGLAND. MURDERS, THE ANCIENT AND A YOUNG WOMAN WITH A BLACK MAGIC BACKGROUND... AN EXPLOSIVE COCKTAIL!
NICNEVIN AND THE BLOODY QUEEN
HELEN MULLANE • DOM REARDON
LEE LOUGHRIDGE • JOCK
4 ISSUE SERIES • SEPTEMBER 2019
H1
HUMANOIDS

- ***Strangelands:*** (ongoing series launching in August 2019, creative team not yet announced) – Elakshi and Adam Land aren't married. In fact, a month ago, they were perfect strangers, dwelling in lands foreign to one another. But now, they're forced to remain by one another's side, for their separation could mean the planet's demise. Now, their greatest challenge is to stay together—even if they have to tear the world apart.

Humanoids also has a number of H1 limited series in the works featuring self-contained original stories, including:

- ***The Big Country*** (five-issue miniseries by *Quinton Peeples, Dennis Calero, & Darick Robertson* launching in July 2019) – The Old West finally died in the early 1980s. This is the story of Grissom Callahan, the last in a long line of s Texas sheriffs. Callahan has learned everything he knows from his father and his grandfather. But the old ways don't seem to prove efficient when it comes to stopping a violent serial killer. And in a simple moment of shaking down an informant, Grissom will start a chain of events that will reshape his life and the world of law enforcement in Texas.
- ***Meyer*** (five-issue miniseries by *Jonathan "Swifty" Lang, Andrea Mutti, & Shawn Martinbrough* launching in August) – A comedic, coming-of-age quest where the Golden Fleece is a man's legacy, ***Meyer*** is an immigrant's story rooted in an old mobster's tale and a deeply moral fable. A ***Breaking Bad***–style imaginary biography of Jewish legendary mobster Meyer Lansky as he's trying to organize his very last con job.

A COUPLE BRIDGES TWO WORLDS TO BE TOGETHER, ONLY TO GAIN POWERS THAT CAUSE MASS DESTRUCTION WHENEVER THEY ARE SEPARATED. NOW, THEIR GREATEST CHALLENGE IS TO STAY TOGETHER – EVEN IF IT TEARS THE WORLD APART.
STRANGELANDS
ONGOING SERIES • AUGUST 2019
H1
HUMANOIDS

- ***Nicnevin and the Bloody Queen*** (four-issue miniseries by *Helen Mullane, Dom Reardon, Lee Loughridge, & Jock* launching in September) – Something strange has been unleashed in the North of England. A modern-day druid commits a series of ghastly murders in an attempt to unleash the awesome power of the ancient gods of Great Britain. But all hell really breaks loose when his latest would-be victim, Nicnevin "Nissy" Oswald, turns out to be more than she seems...

"H1 provides powerful, political, personal and provocative superpowered stories," Senior Editor *Fabrice Sapolsky* said. "And the stand-alone, self-contained mini- series are bold and ambitious. They are going to get people talking... We invite fans to join us now, from Day H1."

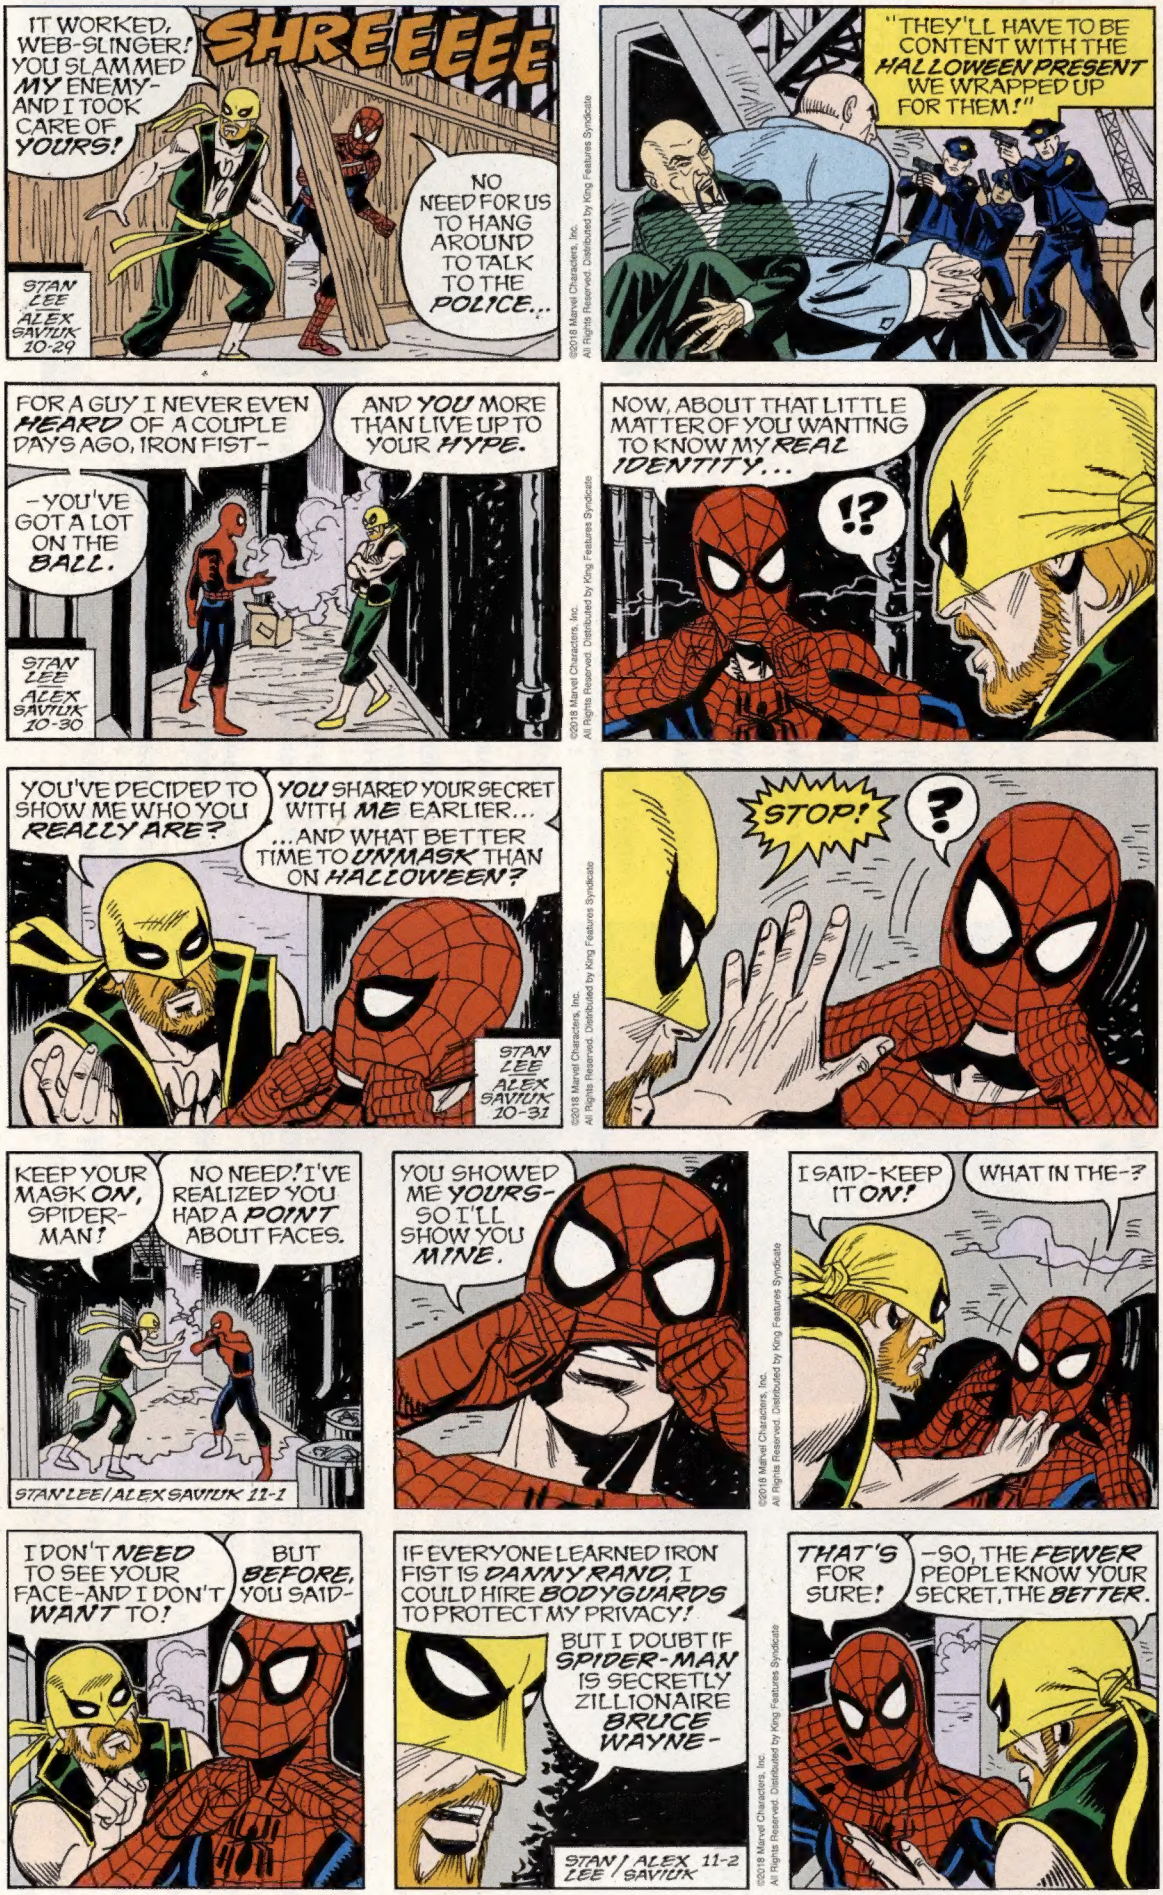
ZORRO and the LITTLE DEVIL
A new thriller by
PETER DAVID
New York Times best-selling author

SPIDER-MAN

BY STAN LEE, LARRY LIEBER & ALEX SAVIUK

CONTINUED ON PAGE 2



IT WORKED, WEB-SLINGER! YOU SLAMMED MY ENEMY- AND I TOOK CARE OF YOURS!
SHREEEEE
NO NEED FOR US TO HANG AROUND TO TALK TO THE POLICE...
STAN LEE ALEX SAVIUK 10-29
"THEY'LL HAVE TO BE CONTENT WITH THE HALLOWEEN PRESENT WE WRAPPED UP FOR THEM!"
FOR A GUY I NEVER EVEN HEARD OF A COUPLE DAYS AGO, IRON FIST-
AND YOU MORE THAN LIVE UP TO YOUR HYPE.
-YOU'VE GOT A LOT ON THE BALL.
STAN LEE ALEX SAVIUK 10-30
NOW, ABOUT THAT LITTLE MATTER OF YOU WANTING TO KNOW MY REAL IDENTITY...
!?
YOU'VE DECIDED TO SHOW ME WHO YOU REALLY ARE?
YOU SHARED YOUR SECRET WITH ME EARLIER...
...AND WHAT BETTER TIME TO UNMASK THAN ON HALLOWEEN?
STAN LEE ALEX SAVIUK 10-31
STOP!
?
KEEP YOUR MASK ON, SPIDER-MAN!
NO NEED! I'VE REALIZED YOU HAD A POINT ABOUT FACES.
STAN LEE/ALEX SAVIUK 11-1
YOU SHOWED ME YOURS- SO I'LL SHOW YOU MINE.
I SAID-KEEP IT ON!
WHAT IN THE-?
I DON'T NEED TO SEE YOUR FACE-AND I DON'T WANT TO!
BUT BEFORE, YOU SAID-
IF EVERYONE LEARNED IRON FIST IS DANNY RAND, I COULD HIRE BODYGUARDS TO PROTECT MY PRIVACY!
BUT I DOUBT IF SPIDER-MAN IS SECRETLY ZILLIONAIRE BRUCE WAYNE-
STAN / ALEX LEE / SAVIUK 11-2
THAT'S FOR SURE!
-SO, THE FEWER PEOPLE KNOW YOUR SECRET, THE BETTER.
